Hey **Remy**.

Congratulations on having the **#1** boxing gym in North Carolina!

Let's get straight into it.

I've noticed your website has **4 key elements** currently missing.

When implemented it will resonate with your audience by helping them overcome their roadblocks, Grow the brand, and even the potential to increase revenue all the way up to **23.5%**

I have linked a rewrite of your website as a starting point for you.

Imagine yourself calm, relaxed.

Your gym is gaining new members daily, your revenue is peaking, and your influence is spreading.

Understanding your current situation in depth would maximise results. Would you be interested in booking a 30 minute call to go over this?

Here's the rewrite

Rated The Best Boxing Gym In North Carolina

Eliminating Rookie Mistakes for a Steadier Climb

We understand that every great journey starts with a solid foundation.

That's why we've carefully identified and addressed the most common blunders novice boxers encounter at the start of their journey.

We have created specialised classes tailored to cater to beginners, amateurs, as well as those at more advanced skill levels.

Classes:

Boxing Classes: The Art of Technique and Precision

Master the art of boxing in our dedicated classes, where we focus on essential elements such as Technique, Form, Footwork, Padwork, and Bagwork. Feel the difference as your skills rapidly improve under expert guidance.

Boxing Beginner Basics Building The Foundation

If you're new to boxing, our Beginner Basics class is your stepping stone. Rapidly learn the fundamentals – footwork, stance, punching techniques, and pad holding – all designed with beginners in mind. Embrace the camaraderie of fellow beginners and find motivation in each other's progress.

Strength Classes: Power Within You

Unleash your inner strength in our specialised strength classes. Elevate your muscle power and endurance with compound movements like Deadlifts, Bench Press, and Back Squats. Through proper technique guidance, you'll witness your strength soar.

Conditioning: Sculpt Your Body Fast

Achieve a toned body with our high-intensity whole-body circuit training. Focus on both the upper and lower body through resistance, bodyweight exercises, and cardio, all expertly designed to help you achieve your fitness goals.

Meet Our Professional Trainers

Our trainers are professional ex-fighters with at least 5-10 years of experience in the domain.

They know your exact situation because they have been there once themselves. They will assist you each step of the way.

Pick Your Path

In this world there's two types of people

People who...

Strive to Success

Or

People who make excuses

Do you even want to box?

Do you even want to be in shape?

When you walk into ANY room do people stare with disbelief?

Have a think about that and decide.

Are you the type of person who will make ***excuses?***

Or are you the type of person who will ***succeed!***
