Pricing and Payment

Cannabis pricing depends on the product category, brand, package size, THC or CBD potency, format, production method, and current promotions. Customers may find value-priced products alongside premium selections across several categories.

Factor	Description
--------	-------------

THE WOODS

Product Category	Flower, edibles, concentrates, vapes, beverages, capsules, and CBD products have different prices
Brand	Premium and value-priced options may have different price points
Package Size	The selected weight or quantity affects the total price
THC/CBD Potency	Cannabinoid content and formulation may influence pricing
Promotions	Eligible current specials and limited-time offers may reduce pricing

Product Pricing

Cannabis products do not follow one standard price structure. Flower, pre-rolls, edibles, vape cartridges, concentrates, CBD products, beverages, and accessories have different production, packaging, and distribution costs.

Customers can compare current prices through the online menu. Final pricing should be confirmed through the store's official system.

Factors Affecting Price

Brand, product category, cultivation or processing method, cannabinoid formulation, package size, and availability can influence cost. Premium products may have higher prices because of

THE WOODS

genetics, processing, packaging, brand positioning, or limited supply.

Higher potency does not automatically mean a product offers better quality or greater suitability. Customers should consider the complete product profile.

Promotions

Promotions may be available when permitted under Ontario cannabis regulations and store policies. Offer periods, eligible products, quantities, and conditions can change.

Customers should review the current online menu or contact the store for accurate promotional information. Discounts should not be assumed without confirmation.

Accepted Payment Methods

Accepted payment methods may include debit, credit, or other options provided by the retailer. Policies may change, so customers should check the official location page or contact the store before visiting.

Confirming payment options is particularly useful when collecting an online pickup order.

Legal, Safety and Compliance

The Woods Cannabis - Aurora & Newmarket operates within Ontario's legal cannabis retail system. Customers must follow applicable provincial and municipal laws regarding age, purchasing, possession, transportation, storage, and consumption.

Ontario Cannabis Laws

Recreational cannabis is legal in Ontario for adults aged 19 and older when purchased through authorized retailers. Legal cannabis products are sold in regulated packaging with required product information, cannabinoid details, warning statements, and producer identification.

Customers must comply with possession limits and restrictions concerning where cannabis may be consumed. Cannabis should never be used before driving or operating machinery.

Minimum Legal Age

THE WOODS

The minimum legal age for purchasing, possessing, and consuming recreational cannabis in Ontario is 19. This requirement applies to in-store transactions and online orders collected at the store.

Customers who cannot verify that they meet the age requirement may be refused entry, service, or pickup.

Government-Issued ID Requirements

Customers must present valid government-issued photo identification showing their name, photograph, and date of birth. The ID must confirm that the customer is at least 19 years old.

Age verification may occur at entry, checkout, or pickup. Cannabis products cannot be released without acceptable identification.

Licensed Retail Compliance

The Woods Cannabis - Aurora & Newmarket sells cannabis sourced through Ontario's authorized distribution system. The store follows applicable requirements for product sourcing, age verification, packaging, labelling, handling, and legal sales.

Shopping through a licensed retailer helps customers avoid unregulated products with uncertain ingredients, packaging, or sourcing.

How It Works

Purchasing cannabis from The Woods Cannabis - Aurora & Newmarket follows a straightforward process.

1. Browse the available cannabis products online or in-store.
2. Verify your age using valid government-issued photo identification.
3. Select products based on category, package size, brand, price, and listed cannabinoid content.
4. Complete payment using an accepted method.
5. Receive your products through an in-store purchase or confirmed pickup order.

Customers should transport, store, and consume cannabis responsibly while following all applicable Ontario laws.
