Cabinet Members:

Meetings for Agenda/Minute work and General Feedback & Check-In on **1st Fridays of the Month** from 12:00 – 1:00 PM Hybrid

Senators and officers need support from area supervisors and managers to identify time in their schedules to; reach out to their constituency members in their areas, research, integrate and analyze information and develop summarization reports for Senate discussion, conceptualize and participate creatively towards actionizing Senate/Campus goals along with serving in a representational governance capacity on various senate/campus committees.

We humbly offer our suggested planning for events, senate meetings, subcommittees, standing committees and other anticipated Senate representative governance work as a minimum of approximately 2 hrs/week for Senators and 3 hrs/week for Officers on average for Senate business.

Subcommittees meet according to group consensus with 1x/month as a standard, except Retreat (2x/month-weekly depending on proximity to event)

Classified Senate Subcommittees:

- Retreat/PD
- Classys
- Bylaws
- Fundraising
- Mentor Program
