## **Cabinet Members:**

Meetings for Agenda/Minute work and General Feedback & Check-In on **1<sup>st</sup> Fridays of the Month** from 12:00 – 1:00 PM Hybrid

Senators and officers need support from area supervisors and managers to identify time in their schedules to:

- reach out to their constituency members in their areas
- research, integrate and analyze information and develop summarization reports for Senate discussion
- conceptualize and participate creatively towards actionizing Senate/Campus goals
- serving in a representational governance capacity on various senate and campus committees

We humbly offer our suggested planning for events, senate meetings, subcommittees, standing committees and other anticipated Senate representative governance work as a minimum of approximately 2 hrs/week for Senators and 3-4 hrs/week for Officers on average for Senate business.

Senate Subcommittees meet according to group consensus with 1x/month as a standard, except Retreat (2x/month to weekly depending on proximity to event)

## **Classified Senate Subcommittees:**
