Microgaming Finishes the First Half of 2019 with €89m Jackpot Payout

#Jackpot #BestInGaming

Microgaming continues to set new records with its famous jackpot network. There were over a million of lucky players who shared an impressive €89,879,343. Isn't it astounding?

In February this year, Microgaming's jackpot network has [reached](#) the milestone of 1 billion payouts due to several big jackpots, including the largest win of the year (€13,328,028.16 scooped on Mega Moolah slot at Zodiac Casino).

“biggest jackpot win in the gambling history”

John Coleman, CEO at Microgaming, comments: “2019 is gearing up to be a great year for Microgaming's progressive jackpot network, with total lifetime payouts fast approaching the €1.1 billion mark. Congratulations to all winning players on the network, which remains the largest in the industry and features the record-breaking Mega Moolah progressive slot. We look forward to hosting more life-changing wins in the second half of the year.”

[Microgaming](#) also boasts the biggest jackpot win in the gambling history. It is a €18,915,872.81 payout that earned the studio GUINNESS WORLD RECORDS® title for the 'Largest jackpot payout in an online slot machine game' in 2015.
