

5.00C Enhanced Creative Connections Project

To download this file, click:

“File” → “Download As” → Choose your file format & SAVE to your English 4 folder that you have created.

For this Creative Connections Project, you will be creating a visual to represent the claim from your 5.04 Argumentative Essay. **YOU MUST COMPLETE BOTH PARTS.**

Part 1: Collage Design

- ☐ Consider the argumentative essay you have written in 5.04.
- ☐ Use a web-based program to create a collage of at least 5 photos representing your stance used in the 5.04 argumentative essay.
- ☐ Include your claim from the 5.04 argumentative essay as the title of your collage.

Part 2: Making Connections

- ☐ Write a one-paragraph analysis (at least 6-8 sentences) that thoroughly explains the connections between your 5.04 argument and the pictures used in your collage.
- ☐ Remember an **analysis** is a detailed examination, investigation, interpretation, evaluation, etc.
- ☐ **SUBMIT FOR GRADING** in the 5.00C Enhanced Creative Connections Project in **Educator:** Upload your collage AND your paragraph analysis.

Example Collage:

Paragraph Analysis:

Think about how these pictures represent your argument. Use evidence from your essay to connect to specific pictures in the collage. Do any of the pictures make you think of a personal situation you or someone else you know have experienced? Be very detailed and make strong connections. This paragraph should be at least 6-8 sentences.

5.00C Enhanced Creative Connections Project Rubric

	Above Average	Average	Needs Improvement	Seek Instruction
Capturing Your Artifacts	10 points The student has created a collage that includes the claim from their module 5 argumentative essay as well as 5 images to help support the claim.	9-8 points The student has created a collage that includes the claim from their module 5 argumentative essay with 4 or fewer images to help support the claim.	7-6 points The student has created a collage that includes the claim from their module 5 argumentative essay with 3 or fewer images to help support the claim.	5-0 points The student has created a collage that does not include the claim from their module 5 argumentative essay or includes 2 or fewer images to help support the claim. The student should seek feedback from his or her instructor.
Making Connections	10 points The student has written a well-developed paragraph giving an analysis that shows in-depth connections between the collage and the argumentative essay through direct evidence and explanations.	9-8 points The student has written a paragraph that discusses the connection between the collage and the argumentative essay through direct evidence and explanations.	7-6 points The student has written a paragraph that discusses the collage and the argumentative essay with direct evidence and explanations.	5-0 points The student writes less than a full paragraph and does not use evidence. The student should seek feedback from his or her instructor.
