

Q&A for The Amulet

The Q&A might contain spoilers, so if you're not really bad at paying attention don't read it, but read this one first ALWAYS.

Q: How do I start?

A: Go to a village.

Q: Why can't I find the amulet?

A: You have to craft it first by finding the two shards.

Q: Why can't I find the shards?

A: You can, there are only two shards in the entire world border, hidden in chests.

Q: Do you understand that I found a way to cheat the amulet in?

A: Good on you, I just made it not as easy as /give, /loot give yourself all you want.

Q: Will you upgrade or downgrade the mod?

A: Probably not, sorry but I'm not really a modder I just made this for fun, and even then it took too long for a simple mod like this.

Q: I hate this mod (or any variation of that)

A: I don't care.

Q: Can I use this mod?

A: Yes.

Q: Do you claim this mod or want recognition for it?

A: No.
