Effective Networking Tips

A Gift for You **How to Make a Memorable First Impression**

Offer **before** you receive *A little courtesy goes a long way*

1. ***Welcome !*** with a smile and approachable body language
   NOT HI ! Are you a member ? Where are you from ?
   DEFINITELY NOT What do you do ? Very transactional and rude

2. ***How YOU doing ?*** Show genuine interest, be personable and
   HAVE FUN - ask with a New York accent

3. ***Sooo … What brings you here ?***
   NOT WHO invited you here, WHAT brings you here ?
   Are you here for the food, networking, or both ?

4. ***Great !*** (insert name here) ***How may I or we BE OF HELP to you ?***

5. ***WHO would you like to meet ? WHO is your ideal client or contact ?***
   Walk away if they do not reciprocate - *Selfishness is ugly*

6. ***You had me at Hello ! Lets' Connect, Collaborate, and Follow Up***
   Share your 10-30 second elevator pitch: ***I help others with …***
   Make it a team activity - Introduce people to each other

   Note: **A Key to Success is** NOT WHAT you know,
   It's NOT WHO you know, ***it's WHO KNOWS YOU !***
