A screenshot of the ClassLink sign-in interface. The title is 'Sign in to ClassLink'. It features two input fields: 'Username' and 'Password'. Below these fields are two buttons: a blue 'Sign In' button and a blue button with a QR code icon labeled 'Sign in with QuickCard'. At the bottom, there is a link that says 'Help, I forgot my password'.

Once logged in, the user will see assigned Compliance Courses on the *My Assignments* homepage.

This year, users will have a one-time opportunity to **Test Out** of each assigned SafeSchools Compliance Course with a passing score of 70% or higher. Staff who do not pass the test-out option must complete the full course to earn a certificate of completion for this year.

Staff who successfully test-out will not receive a certificate of completion, but the system will report that the user has successfully completed the course requirements for this year.

The deadline to complete all assigned SY 24-25 Compliance Courses is Friday, September 6, 2024. Any staff members hired after this date should complete Compliance Training within 15 business days of employment.
