

Privacy Policy

Effective Date: May 4, 2026

Thank you for using **Spacely: AI Home Design Tool** (“the App”, “we”, “our”, or “us”). Your privacy is important to us. This Privacy Policy explains how we collect, use, store, and protect your information when you use our mobile application.

1. Information We Collect

1.1 Personal Information:

We do not directly collect personally identifiable information such as your name, email, or phone number unless you voluntarily contact us for support or account-related inquiries.

1.2 Non-Personal Information:

We may automatically collect non-personal data including:

- Device type, operating system, and app version
- App usage and analytics data
- Crash reports and diagnostics
- Performance metrics to improve the app

1.3 User Data (Input Data):

When you enter loan details (such as amount, interest rate, tenure), this data is processed locally on your device to calculate EMI. We do not store or sell this data.

1.4 Third-Party Services:

Our app may use third-party services like Google AdMob or Firebase Analytics, which may collect information according to their own privacy policies.

2. How We Use Your Information

We may use the collected information to:

- Provide, maintain, and improve app features
 - Enable EMI calculation functionality
 - Fix bugs, crashes, and improve app performance
 - Display personalized or non-personalized advertisements
 - Analyze app usage trends for future improvements
 - Ensure app security and prevent misuse
-

3. Third-Party Services

We may integrate third-party services including, but not limited to:

- Google AdMob – for displaying ads
- Firebase Analytics – for app performance insights

These services may collect and process data as described in their privacy policies. Users are encouraged to review their respective policies.

4. Children's Privacy

Our app is not intended for children under 13. We do not knowingly collect personal data from children. If you believe a child has provided personal information, please contact us, and we will remove it.

5. Data Security

We implement reasonable technical and organizational measures to protect your data. However, no internet or mobile application can be 100% secure, and we cannot guarantee absolute protection.

6. Your Choices

You can manage your data preferences through your device settings:

- Clear app data to remove locally stored content
 - Uninstall the app to delete local data
 - Limit ad tracking or reset advertising IDs for personalized ads
-

7. Data Retention and Deletion

- Non-personal data (analytics, crash reports) may be retained for up to 24 months for troubleshooting and improving the app.
- Any calculation data is processed locally and not stored permanently.
- If any data is stored on our servers, users can request deletion by contacting us at **amansoft24@gmail.com**. Requests will be processed within a reasonable time unless retention is legally required.

8. Disclaimer

This app is designed for informational and calculation purposes only. Loan EMI results are estimates and may vary based on actual lender terms. Users are advised to verify details with financial institutions before making decisions.

9. Changes to This Privacy Policy

We may update this Privacy Policy periodically. The revised version will include an updated effective date. Users are encouraged to review this policy occasionally.
