

Unique Ability - Flora Sage

Description: Through Jaxiels deep love and interest for plants and creating them his body can connect to the deeper energy that plants live on causing him to take on green spots around his body as well as his hair and eyebrow tips having a light green color to them. In this state he can use plants to his advantage.

Dexterity	Skill
10	Accelerate the growth and size of basic plant life
51	Able to use water inside body and the natural energy of the sun to enhance strength and speed by 7.5% for 15% split by human photosynthesis
81	Communicate with basic plant life
101	Accelerate the growth and size of intermediate plant life
121	Able to use water inside body and the natural energy of the sun to enhance strength and speed by 10% for 20% split by human photosynthesis(Not stacked with previous passive)
151	Communicate with more complex plant life
200	Accelerate growth and size of advance plant life
220	Communicate with all plant life
250	Accelerate the growth and size of toxic plant life

Technique's

Dex 10-100	Skill
10	Sage Art:Jasmonic Slumber - Jaxiel shoot's a jasmine plant seed up to 12 meters in range and accelerates it until it explodes which causes a light sleeping mist to cast over a 1 meter radius(Anyone with a stronger or equal will to Jaxiel can resist effects)

22	Sage Art: Areole Blitz - Jaxiel shoots three Areole seeds in rapid succession that go up to 12 meters in range and accelerates it until their the size of baseball's with large spikes protruding from the center that latch onto targets.
36	Sage Art: Coreopsis Blast - Jaxiel shoots the seed of a coreopsis flower covered in gunpowder, when shoot the speed friction will cause the seed to catch on fire becoming like a flaming bullet causing a light explosion when it impacts a target or object.
