

Avatar

Chloe who is 30 years old lives in a small town with her husband.

Wants to have kids but is not financially ready.

Even though She earns well from her corporate job. Her hard-earned money is sucked back into the system in a pool of debt.

Current state

She would like to start a business but is crippled by fear. Fear of failing, fear of competition, and fear of not starting at all.

Dream State

Her business is up and running, generating enough money to start a family.

She feels like she could jump-start many businesses with the level of confidence that's steaming off of her.

Roadblock

Her inner voice keeps creeping in to attack her vision causing self doubt and procrastination.

Solution

She needs guidance on how she can tackle the inner voice and kick-start her business.

Solution

A life coach is required to remind her of her potential etc

HSO

Subject Line: ***Mercia vs her inner voice to quit***

Meet Mercia, a woman who had been feeling trapped in a maze of indecision for years.

Despite having a stable job, a loving partner, and a tight-knit group of friends, she couldn't shake the feeling that she was missing out on something important.

Deep down, she had a burning desire to start her own business...

But her mind was battling with her inner voice launching relentless attacks on her self-confidence.

Her fears and doubts would creep up feeling like she was stuck in quicksand.

But she knew that she couldn't continue living in a state of perpetual dissatisfaction.

Craving a sense of fulfilment and purpose and determined to break free she met someone...

An expert that handed her the tools to tame her inner critic and replace negative self-talk with positive affirmations.

With this Mercia was able to summon the courage to launch her own business.

If you are ever doubting yourself and not feeling like a bird soaring through the sky...

You need someone who can identify your situation and hand you a roadmap to awakening your newfound sense of purpose and passion.

If this is you, I'd like to show you the way to escape the maze of incisiveness.
