

Theory of Learning:
Passion + Power + Agency = Impact

I am building towards being a GRADUATE who can...

Find My Passion

- Be curious, try new things, and learn from others.
- Persevere through setbacks, and reflect on my successes and failures.
- Develop healthy relationships and build personal and professional networks that challenge me and support my growth and development.

Build My Agency

- Demonstrate growth and mastery in my essential academic and nonacademic competencies and critically evaluate ideas, data, and information.
- Identify and solve different kinds of problems.
- Identify my goals and take action towards achieving those goals.

Use My Power

- Take responsibility for my actions and act with integrity and empathy.
- Gather evidence and understand multiple and diverse perspectives to inform my opinions and beliefs.
- Communicate effectively by learning to both listen and to be heard.

Make An Impact

- Take action on issues that are important to me and my community.
- Design and create things that bring people joy or make their lives better.
- Embrace feedback in order to revise and improve my ideas and work products for a specific audience (group of people).
