

BRAIDED IDENTITIES

Purpose

Evaluating your own different identities will help you see that most people have multiple, interconnected identities, ones that they share with others in our globalized world.

Process

1. Think about the different identities you have and complete the table below.

Question	Circle one	Name that identity
Do you have a school identity?	Yes No	
Do you have a cultural identity?	Yes No	
Do you have a religious identity?	Yes No	
Do you have a gender-related identity?	Yes No	
Did you answer “yes” to more than one of these?	Yes No	

2. What do you think having a *braided identity* means?
