PGA JR. LEAGUE EMAIL TEMPLATE NO. 2

Subject: Spots are filling fast for 2027 PGA Jr. League at Facility! ⛳

Dear Parents and Families,

Registration for the 2027 PGA Jr. League season at Facility is filling up fast, and we want to make sure your junior golfer doesn't miss out on the action! Our program is open to boys and girls ages #–#, and the 2027 spring/summer/fall/winter season kicks off on Date.

Need a reason to join? Here's why kids (and parents!) love PGA Jr. League:

- **Pure Fun:** Fun is always the goal. The two-player scramble format makes learning and playing on the course a team activity.
- **Inclusive of All:** PGA Jr. League has something for every level of player. Whether learning the fundamentals or building upon skills from previous seasons, our program helps every player grown in a supportive, positive environment. Mentorship among players is one of our favorite parts.
- **Friendship and Teamwork:** Kids build lasting memories and camaraderie on the course, while learning valuable sportsmanship and character-building skills alongside their teammates.

Include information about your practice and game schedule here, e.g. We will host practices every Wednesday in May, followed by Saturday games at our facility.

Our registration deadline is Date, so don't delay! You will register online through PGAJrLeague.com, or directly at the link(s) below:

- Insert each link as its own bullet here, e.g. 9u Division for Players Ages 4-9: [HYPERLINK]
  Note: If registering for multiple age divisions (e.g., 13u, 17u, 9u), please use the specific link for each program.

- Our unique Access Code for all of our programs is [XYZ].
  Make sure to include this bullet if you have Access Codes for your programs.

You can always reach out to me directly at email address or phone number. To learn more about PGA Jr. League, visit PGAJrLeague.com and follow @pgajrleague on Facebook and Instagram for national updates.

We hope to see your family soon!
