Daniel O'Connor – Superintendent  
PO Box 249 Lincoln, MI 48742  
PH: (989) 736-8534 Fax: (989) 736-8495

September 29th, 2020

Dear Parent/Guardian & Athletic Guests:

The district recently confirmed that a person who attended the varsity football game vs. Marlette on September 25th tested positive for COVID-19 within days after the event. The person wore a mask and was socially distant during the event, and thus the exposure is deemed low risk to others that attended the event.

Confidentiality (or HIPAA/FERPA) laws prevent us from providing any personally-identifying information to those impacted.

Alcona Community Schools is collaborating with the District Health Department No. 2 to ensure that all precautions have been taken to protect spectators and athletes at the event. The district will continue to proceed with our academic and extracurricular programming.

If you attended the event, please monitor for symptoms related to COVID-19, including fever, cough, difficulty breathing, headache, diarrhea, new fatigue, or loss of taste or smell. If you notice any change in your child's health, please keep them home and call your regular medical provider.

For general questions related to COVID-19, you may also contact District Health Department No. 2 at 989-345-5020.

Sincerely,

Mr. Daniel O'Connor  
Alcona Community Schools  
Superintendent  
(989) 736-6212
