Q&A for 2020-2021 E-Rate Category 2

The following questions and answers are considered to be formal addenda to the [2021-2022 E-Rate RFP](#).

Q1: On the Form 470, 89 Related Components were requested as Aruba or equivalent?

A1: This is the Aruba Central to manage and support the WAP's and Switches, 68 WAPS, 2 switches, and the 15 existing switches that can be found on the RFP as well as the 4 gym enclosures/protection for the access points

Q2: When are bids due?

A2: As stated on the RFP, bids are due on January 21st at 12pm CST

Q3: Would you consider recertified preowned (equal2new®) equipment that comes with a lifetime advance replacement warranty?

A3: All bids will be evaluated and considered, but new equipment is preferred.
