Author Declaration:

In submitting the manuscript (“The Work”) to JUXTA: Jurnal Ilmiah Mahasiswa Kedokteran Universitas Airlangga, I hereby warrant, on behalf of myself and my co-authors, that:

1. I am authorized by my co-authors to enter into this agreement;
2. We are the sole author(s) of the manuscript and have full authority to enter into this agreement and in granting rights to JUXTA, which are not in breach of any other obligation;
3. The Work is original, has not been formally published in any other peer-reviewed journal, is not under consideration by any other journal, and does not infringe any existing copyright or any other third-party rights;
4. We accept that the editors’ decision to publish or reject our Work shall be final, that the editor is under no obligation to provide any reason for rejection, and that we shall have no claim against the editor, title owner, or publisher resulting from any real or perceived loss as a result of a rejection;
5. All listed authors have contributed significantly to the preparation of the Work, and they have seen and approved the content, authorship, affiliations, and other aspects of the author’s representation;
6. The Work contains nothing unlawful, libelous, or which would, if published, constitute a breach of contract or of confidence or of commitment given to secrecy;
7. We have taken due care to ensure the integrity of the Work. To our current accepted scientific knowledge, all statements contained in it purporting to be facts are factual;
8. Any research in this Work performed on humans or animals (if applicable) adheres to currently applicable and internationally recognized ethical standards, and recognized ethics committee approval for the research was obtained;
9. Any/all personal, employment, or commercial affiliations, stock or equity interest, or patient licensing arrangements that could be considered to pose a conflict of interest regarding the submitted Work (which may potentially prevent them from executing and publishing unbiased research) have been disclosed to the editor or in the manuscript;
10. We have explicitly identified, credited, or referenced the author(s) of data or material taken verbatim from another person’s Work, and we have referenced other author’s Work or ideas, including our own, even if the Work or the ideas are not quoted verbatim or paraphrased, regardless of the origin or the format of dissemination of the Work;
11. We have obtained permission for the format of dissemination of the Work (e.g., graphs and figures that are not in the public domain) that may be under copyright to others, including unpublished material;
12. We agree and comply with [the Publication Ethics of JUXTA](#).
