<http://www.breitbart.com/Big-Government/2014/02/19/FBI-Report-Shows-Violent-Crime-Decreased-As-Gun-Purchases-Increased>

The greatest defense may be criminals not knowing if you might be carrying, or have guns handy at home. Do not keep guns handy (unless in a safe), except on your person, if you have untrained children at home, OR visiting! Do not leave a gun in a purse that children might get into.

See: <http://eddieeagle.nra.org/> Gun safety for small children.
