

Privacy Policy

This Privacy Policy describes the data that Wondercreation4u(“we” / “our”) process to support Pool Legends Club (“App”). It explains our practices concerning the personal data we collect from you, or that you provide to us, in connection with the App.

Section 1.What personal data do we collect about you?

Device Information: model, brand, language, Operator, screen resolution;

Internet Information: WI-FI, 4G, 5G, Mac-Address;

Advertising Identifier:IDFA, IDFV, GAID; and

Usage log: duration, preferences etc.

Section 2.How we collect your data?

We may collect information in a variety of ways, including:

From you directly;

Through the App: we may collect your data when you use the App; or

From other sources: We may receive data from third parties.

Section 3.How we use your personal data?

To perform the services you have requested, such as our providing you with information regarding the App and services available from us or the App and services available from third parties that you may be interested in.

To operate and maintain the App.

To track and measure the App performance. and

To protect, investigate, and deter against unauthorized or illegal activity.

Section 4.With whom is your personal data disclosed?

We may sometimes need to share your data with others, including in the following circumstances.

Third-Party Service Providers. We may share your data with third-party service providers who perform various functions that enable us to provide our services and help us run our business, such as fraud detection and prevention, customer service, or analytics.

Sharing with Unaffiliated Controllers. In certain circumstances, we may transfer personal information to unaffiliated third-party data controllers. These third parties do not act as agents or service providers and do not perform functions on our behalf. We may transfer your data to third-party data controllers to provide you with third-party products or services.

Responding to Subpoenas and Other Legal Requests. We may share your data with courts, law enforcement agencies, or other governmental agencies when we believe in good faith that the law requires or permits us to do so, including to meet national security or law enforcement requirements, to protect the company, or to respond to a court order, subpoena, search warrant, or other law enforcement request.

With Your Consent. Other than as described above, we will provide you with notice and the opportunity to choose when your data is shared with other third parties.

Section 5.How we secure your personal data?

The security of your data is of paramount importance to us. We are committed to taking reasonable steps to protect your data from unauthorized access and use. We implement appropriate technical and organizational measures to ensure a level of security appropriate to the risk, including pseudonymization and encryption of personal data. We also have in place appropriate physical, electronic, and managerial policies and procedures to safeguard your personal user information. While we have implemented security measures designed to protect your data, no security system is impenetrable, and we cannot guarantee that data will be completely secure from intrusion while being transmitted over the internet, stored on our systems, or otherwise in our care.

Section 6. How long do we keep your personal data?

We retain collected data for different periods of time, depending on the content and purpose of the data:

You can delete the information you add to your account at any time.

We retain certain information, such as information about how frequently you use our services, until you delete your account.

We retain certain data for longer periods of time if necessary for legitimate business or legal purposes, such as security, fraud and abuse prevention.

Section 7. Third party services

We need advertising revenue to support the operation of this app. We connect to advertising technology platforms in this app to place ads in the app. These advertising technology platforms and advertisers on the platforms may collect, receive and use your data. In this case, these advertising technology platforms and advertisers will act as data controllers for their own purposes. This privacy policy will no longer apply to these advertising technology platforms and advertisers, and they will be subject to their privacy policies. Currently, the advertising technology platforms we cooperate with include the following:

Appsflyer: <https://www.appsflyer.com/legal/privacy-policy/>

Applovin Max: <https://www.applovin.com/privacy/>

Pangle: <https://www.pangleglobal.com/zh/privacy/partner-en>

Mintegral: <https://www.mintegral.com/en/privacy>

TopOn: <https://www.toonad.com/en/privacy-policy>

Google AdMob / Firebase: <https://policies.google.com/privacy>

Facebook: https://www.facebook.com/privacy/policy/?entry_point=comet_dropdown

Section 8. What privacy rights do you have?

You can request to correct, update, or delete your personal data.

You can request that we disclose the personal data we collect, including the categories of personal data and the sources from which the personal data was collected.

If we collected and processed your personal data with your consent, you may withdraw your consent at any time, where required by law. Withdrawing your consent will not affect the lawfulness of any processing we conducted prior to your withdrawal, nor will it affect processing of your data conducted in reliance on lawful processing grounds other than consent.

Section 9.Children

Please do not send us your data if you are under 13 years old (or the minimum legal age in your country to use the App).

If you are under 13 years old and you wish to use the App in any way which requires you to submit your data, please get your guardian's approval on your behalf.

If you find that a child under 13 years old has submitted his/her personal data to us without guardian's approval, please contact us immediately.

Section 10.How to contact us?

You can contact us at any time via email: to ask questions about your data, exercise your rights, or provide clues about unauthorized use of the App.
