- In 2025, we're expanding the Splash Pad fun to include some newly designed "Cabanas." We hope you'll pop into these smaller chat threads that are organized by project type. You're welcome to chat in one or more of these groups to see what other similar item(s) folks are making, get ideas and inspiration, or just find a smaller, cozier group to chat with. Move around among Cabanas as you like and have some fun with your friends there. The themes for the **2025 Cabanas** are:
  - Feet (socks, slippers...)
  - Hands (mittens, mitts, gloves...)
  - Head (hats, ear warmers, headbands...)
  - Home (dishies, koozies, blankets, etc. Also use this category for skeins of handspun yarn)
  - Shoulders (shawls, cowls, wraps...)
  - Tops (tees, tanks, sweaters...)
  - Toys (plush toys, chickens, gnomes, games...)

- WIPs - if your item was started before 6/1, enter it in this Cabana category even though it also matches another category.
- When FOs are submitted, points will tally for Cabanas as well as Participants. These results can be found real-time on the [Cabana Leaderboard](#), and should lead to some fun rivalries throughout the summer.

### Fine Print:

- Larger Projects are eligible but if you use more than 200 grams you do not get additional entries. Max entries for grams used is 4.
- Knitting Machines: Enter half the total grams you used on the Form.
- Small items: If you are making a *set* of something (6 washcloths to give as a gift), you may count that group of items as 1 FO and claim entries for the entire project. If you choose to do that, you may not then also count those FOs separately.
- You may use a sponsor product more than once (i.e. a project bag) but the duration of the projects for which you're using it must not overlap.
- For stitch markers, the max entries per project is 2 (1 stitch marker set + 1 progress keeper).
- Mini skeins: max of 5 mini skeins per maker/dyer per project.
- Remember you don't have to weigh things for this MAL. If it's close to 50g enter 50g on the form. Options on the Celebration Form are:
  - 50g (30 - 69g used)
  - 100g (70 - 129g used)
  - 150g (130 - 169g used)
  - 200g (170g or greater used)
