

PLAYER CODE OF CONDUCT

Commitment	I will attend all practices and games on time and notify the coach in advance if I cannot. I will always give my best effort.
Attitude	I will maintain a positive attitude, be supportive of my teammates, and follow the coach's directions and suggestions.
Sportsmanship	I will respect the umpire's decisions and show respect to all teammates, opponents, coaches, and officials at all times.
Behavior	I will refrain from unsportsmanlike conduct, including using foul language or throwing equipment in anger.

PARENT CODE OF CONDUCT

Positive Support	I will be a positive role model and cheer for all players, not just my own. I will remember that the game is for the kids.
Respectful Conduct	I will not engage in taunting, booing, or making negative remarks toward any official, coach, player, or fan.
Allowing Coaches to Coach	I will let the coaches do the coaching and will not yell instructions to players from the sidelines during games or practices.
Addressing Concerns	If I have a concern, I will wait at least 24 hours after a game to speak with the coach privately. I will never approach a coach, player, or umpire on the field or in the heat of the moment.
