I have to kill him!!", "(If it goes on like this.. Tsugino will be in danger..!! Is there.. Is there any way to stop him..!! Anything..!!)", "How do you want to die..? You ate Natsu alive.. How about me treating you this way..? I shall recreate her pain..", "H-Hey.. please wait, Mr. Ushirono. Don't you think it's rash to kill him like this?", "The Memory Control Device over there... can spy on one's heart, right? Don't you want to know? Things about little sis... I mean miss Natsu.", "Besides, don't you want to see the miss Natsu in his memories?", "As you said, I shall see.. No, I must see.. Otherwise, it'd be meaningless..!!", "But this is really a big house. Why did Tsugino live here by himself? / .. His parents died from an accident when he was little. He had been living in this house left by his parents since..", "... Mr. Ushirono. Were you good friends with Tsugino, who lived next to you..?", "You said 'childhood friends', right? You've been together a long time ago. Ofcourse, along with your little sister...", "My sister.. My sister suddenly had ZENO at that time. My father, as a politician, delayed her treatment because he cared too much about the social reaction.", "We became excited, wanting to cure my sister's illness. We thought we could do it if it were us...", "What happened to your sister in the end?", "My sister... died. She was killed by him... by Maeno.", "All the bones were eaten and no bodies were left. The life and death of ZENO patients will be hidden.", "Maeno and my sister suddenly disappeared infront of me.. After that, I.. I kept looking for their whereabouts. My bestfriend, and my sister.", "The only road left for me.. is to take revenge on Maeno, who killed Natsu..", "It's officially recognized that his ZENO was cured and worked here... So after hearing this, I ran to this place..", "I know Maeno killed my sister due to a ZENO onset and ZENO symptoms.. But, but.. I still can't forgive him.", "N-Natsu..!! Why are you here? Or, are you the Natsu created by his memories...?", "No.. it's not like that.. How shall I put it.. This is like.. the remaining fragments of me that are living inside Aki brother's body?", "Ushirono Natsu felt happy for meeting Maeno Aki.", "In the end, it's good to see you again. Your brother-- will pray for your happiness.", "Big brother, were you happy? Were the days spent with me and Aki brother happy? / Everyday was happy.. Meaninglessly arguing with Maeno and you would laugh about it.. Everything was happy..", "It's a good time.. But that guy destroyed it. He destroyed everything. We can't go back anymore.", "Live on. Live on and let me see it.", "I'll try to live on for you. Not like before.. I lived for myself..", "Your brother was happy to become brother and sister with you. And is happy, will be happy, always...", "In fact, I didn't want it to succeed. I didn't want it to work. I wanted to be controlled by the illness and kill you to pieces.", "Everyone needs someone to stop those feelings. Everyone needs someone to make them aware of those feelings.", "Snore.. snore.. / Hey, wake up, doctor Maeno. Don't you also have work today? / Hmm~ What time is it? / 8'o clock. / WHAT!!!!", "Why didn't you wake me up earlier?! / It won't do if you can't wake up yourself!!", "Okay then!! Next test, if you can get a good grade, let's go out to eat!! / Doc, you really are fond of eating, aren't you?", "Any time is fine. Please, kill me?", "Yes, that's right. As long as I exist, I

[illegible]

I've been thinking about it the whole time.", "Fuyu brother.. Big brother, say, I.. My ZENO attacked because I was lovelorn with Aki brother. And I've overcome it after being eaten.", "When Aki brother was attacked, I thought whether I'll be forgotten by everyone too..No, whether someday Aki brother will eventually forget about me..", "Inside, there are two feelings. One is not to let him forget me. The other is to make him forget me. If Aki brother keeps regretting me, he'll never forget me. But– I hate that. Because in that way Aki brother will suffer forever..", "The normal self asked, 'Is it okay to be bound like this all the time?'. I don't want Aki brother to suffer forever. But the other self said, 'This will do'.", "I don't want him to forget me. I want him to think of me all the time. Until death, all the time, all the time..!!", "They are both my true feelings. I don't want to be forgotten, but I hate to make him suffer..", "I wanted to have revenge on Aki for you all this time.... No. Being left behind by you and Aki, I didn't know what else I can do except that.", "I wanted to revenge for myself. But I was wrong. You wanted to be eaten by Aki. In order to let Aki carry you forever..", "What.. do you want? Do you want to die? Do you really want to die? – If so, I will kill you with my own hands.", "No.. Actually.. I.. don't.. But!! But I know in my head. I know that it's better to disappear. Disappear for my beloved Aki..", "I don't want to disappear...!! I don't want to disappear...!!", "Hey, do you think Aki really wants you to disappear? As a 'little sister', 'unrequited love'..you've been watching him, right? And I.. have seen him as a 'friend'..", "I erased all his memories, yet he still recalled you. You did not disappear.", "That guy– Aki will carry you. Even if you don't disappear, he'll always, always.. continue to carry you in his life.", "That kind of thing!! Is not absolute!! He WILL forget me when he's happy or sad!! And, undoubtedly.. One day, brother will meet his lover.. get married.. make children.. have a happy life..", "He WILL forget– everything about me!! / He won't forget.. no, I won't let him forget.. / He WILL forget.. / I will always.. always always bind Aki for you. I'll keep reminding him of you. In order not to let him forget you..", "Ahhhh..! Don't.. forget.. Don't forget me..!!", "Natsu.. / Sniff.. Why would big brother do such a thing for me..? Sniff.. Why..? / Because.. I'm your family.. The one and only, family..", "He won't forget– I won't let him forget. The things about you.. a lifetime.. always.. I'll continue to carve 'Ushirono Natsu' on 'Maeno Aki'.. Always.. yes..", "Big brother, I.. seem to have to go back to deep sleep again. My treatment.. My trauma was resolved, I guess?", "Being left in brother's body, like some remaining fragments, I'm sure, I will disappear completely someday.", "But.. because you said you won't let him forget me.. So, it's OK. Aki brother's illness will be cured. Because I will become Aki brother's eternity. Thank you, Fuyu brother. Bye bye.", "Oh, Tsugino, are you up? ...!! Wha?! Fuyu!!", "Hey... doc.. I remembered it all.. everything.. / Remember what? Tsugino. / Gosh, doc. You should recall it too right?", "I remembered.. things about miss Natsu..", "This is the kitchen knife originally held by you, OK? It's just one cut on the foot.. So, stop screaming, doc.. Because next, I will give you more pain.", "Uh.. Tsugino!! What are you doing!! Ah..!! / You're annoying, stop rampaging. Didn't I put on the handcuff for you? This way you can continue, so thank me!!", "Hey, doc!! I remembered!! The reason for my ZENO onset!! Hey, listen, doc.. What's the most regretful thing you've ever done in your life? / ...?", "Don't you remember? The taste of the most delicious person you've ever had? The happiest murder you've ever done? Hey.."
