- Students being dropped off in the morning or picked up after school need to enter/exit the school from the high school side of the building. The middle school entrance is to be used by students riding the bus only. For the safety of all of our students, it is important that everyone is following this rule.
- To receive your student's free athletic pass visit the website <https://freelandfalconathletics.bigteams.com/>. Once you are there you will go to the "ticketing" tab along the top. There you will scroll down to the second option that says "2023-24 All Sport Pass". Click "Get Passes". Where it says "Have a Passcode?," you will enter your student ID number. Then proceed to add it to cart and complete the checkout process. There is NO CHARGE for the pass. However, you must complete the checkout process in full in order to receive the pass. If you stop midway through, it will invalidate your code.
- If you would like to add money to your students meal account, please visit the link provided. <https://freeland.familyportal.cloud/>

- If your child will be leaving school for an appointment, we encourage you to call ahead. With students switching classes every hour it is sometimes difficult to get students to the office in a timely manner. Calling ahead will allow us the time to ensure that your student is ready when you arrive. We also encourage you to bring a doctor's note back from appointments.
