

Are you joining the Aug 17th action on social media?

- We encourage you to wear clothes that show your credentials as a health professional such as a white coat or scrubs and use these super-cool graphics created by our artist, James Melvin @acghost: [Graphics](#).
- Tell us what state you are posting from
- Use hashtags so we can find you! #FossilFree4Health, #StopLine3, #OurWaterOurHealth
- Decision makers to tag: White House National Climate Advisor, Gina McCarthy, @ginamccarthy46, US Army Corps office @USACEHQHealth, and President Biden @POTUS

Example:

- I'm a (physician/nurse) from (state)
Climate Change is a health crisis

Today, I stand in solidarity with health professionals across the country and Indigenous water protectors in MN to ask @POTUS to #StopLine3 #FossilFree4Health
CC: @ginamccarthy46, @USACEHQHealth

We welcome you to make this your own. Tell us about your experiences/ patient experiences with climate change or other fossil fuel fights in your state. We work in solidarity
