

## Student Learning Skills Assessment Record

Place an “X” in each column, beside each of the items. Then, at the bottom of each category, Place an “X” in the box which you feel best describes your overall skill in that whole category.

| Legend: E: Excellent G: Good S: Satisfactory N: Needs Improvement                |          |          |          |          |  |                                                                                          |          |          |          |          |
|----------------------------------------------------------------------------------|----------|----------|----------|----------|--|------------------------------------------------------------------------------------------|----------|----------|----------|----------|
| <b>Responsibility</b>                                                            | <b>E</b> | <b>G</b> | <b>S</b> | <b>N</b> |  | <b>Collaboration</b>                                                                     | <b>E</b> | <b>G</b> | <b>S</b> | <b>N</b> |
| 1.1 Do I attend class regularly and on time?                                     |          |          |          |          |  | 4.1 Do I take different roles when participating in a group?                             |          |          |          |          |
| 1.2 Do I always bring appropriate materials and resources to class?              |          |          |          |          |  | 4.2 Do I complete my share of the work when working in a group?                          |          |          |          |          |
| 1.3 Do I submit my own original work and follow the academic honesty guidelines? |          |          |          |          |  | 4.3 Am I open to others' ideas, values and traditions?                                   |          |          |          |          |
| 1.4 Do I complete and submit work on the due date?                               |          |          |          |          |  | 4.4 Do I maintain relationships with others in the group through positive communication? |          |          |          |          |
| 1.5 Do I act appropriately in class?                                             |          |          |          |          |  | 4.5 Do I work with others to resolve conflicts, problem solve and negotiate with others? |          |          |          |          |
| 1.6 Do I care for and appropriately use classroom materials and equipment?       |          |          |          |          |  | 4.6 Do I share information, resources and my knowledge with the group?                   |          |          |          |          |
| <b>Overall</b>                                                                   |          |          |          |          |  | 4.7 Do I ask questions of others to promote critical thinking and decision-making?       |          |          |          |          |
| <b>Organization</b>                                                              | <b>E</b> | <b>G</b> | <b>S</b> | <b>N</b> |  | <b>Overall</b>                                                                           |          |          |          |          |
| 2.1 Do I create a plan to complete work?                                         |          |          |          |          |  | <b>Initiative</b>                                                                        | <b>E</b> | <b>G</b> | <b>S</b> | <b>N</b> |
| 2.2 Do I follow the plan that I created to complete work?                        |          |          |          |          |  | 5.1 Do I explore new ideas to further my learning?                                       |          |          |          |          |
| 2.3 Do I prioritize my work before starting?                                     |          |          |          |          |  | 5.2 Do I respond to challenges and take risks when I learn?                              |          |          |          |          |
| 2.4 Do I plan how I will work outside of class by using my agenda?               |          |          |          |          |  | 5.3 Do I seek additional and necessary information to further my learning?               |          |          |          |          |
| 2.5 Do I use my time well to achieve my goals?                                   |          |          |          |          |  | 5.4 Do I advocate appropriately for my rights?                                           |          |          |          |          |
| 2.6 Do I identify what is needed to start the task?                              |          |          |          |          |  | 5.5 Do I advocate appropriately for the rights of others?                                |          |          |          |          |
| 2.7 Do I gather resources to do the task?                                        |          |          |          |          |  | <b>Overall</b>                                                                           |          |          |          |          |
| 2.8 Do I judge which resources are best for the task?                            |          |          |          |          |  | <b>Self-Regulation</b>                                                                   | <b>E</b> | <b>G</b> | <b>S</b> | <b>N</b> |
| 2.9 Do I use the best resources to complete the task?                            |          |          |          |          |  | 6.1 Do I set learning and achievement goals for myself?                                  |          |          |          |          |
| <b>Overall</b>                                                                   |          |          |          |          |  | 6.2 Do I judge my progress towards reaching my goals?                                    |          |          |          |          |
| <b>Independent Work</b>                                                          | <b>E</b> | <b>G</b> | <b>S</b> | <b>N</b> |  | 6.3 Do I ask for help when I'm having difficulty?                                        |          |          |          |          |
| 3.1 Do I judge my plan and change it if it's not working?                        |          |          |          |          |  | 6.4 Do I judge my own strengths, needs and interests?                                    |          |          |          |          |
| 3.2 Do I use class time appropriately to complete tasks?                         |          |          |          |          |  | 6.5 Do I seek and take advantage of new learning opportunities?                          |          |          |          |          |
| 3.3 Do I follow instructions on my own?                                          |          |          |          |          |  | 6.6 Do I persevere with tasks that are challenging?                                      |          |          |          |          |
| <b>Overall</b>                                                                   |          |          |          |          |  | <b>Overall</b>                                                                           |          |          |          |          |
