Dear Neighbor:

Don't miss your chance to advertise in front of Gloucester County residents and support a great Gloucester County tradition featuring more than 450 children from our community!

The Gloucester County Swim Championship –**The Peach Bowl** – will take place on Tuesday, July 22nd at the Gloucester County Institute of Technology (GCIT). Peach Bowl features 450 children from eight Gloucester County Swim clubs including Brookside, Gibbstown, Green-Fields, Greenwood Park, Peachwood, Raccoon Valley, Wenonah and Whitman Square. These swimmers will compete in 68 events to earn the title of Gloucester County Swim Champions while being cheered by many spectators in the stands!

This year, the **Gibbstown Gators Swim team**, located in Gibbstown, is proud to serve as the club sponsor for the 2025 Peach Bowl. To offset meet expenses, the 2025 Peach Bowl Committee is offering the opportunity to promote your business by placing an advertisement in our SOUVENIR PROGRAM BOOK, as well as on social media. Along with your business advertisement, the program book contains the meet entries indicating the events in which each participant is entered, along with personal ads and recognition pages for all graduating seniors from each team. All meet attendees will receive a program book.

Please look over the advertising rate sheet to learn how you can advertise your local business and support your local swim community during the 2025 Peach Bowl. The deadline for submissions is July 3, 2025.

Thank you in advance for your support.

Sincerely,

The 2025 Peach Bowl Committee
