

Missouri DECA District Vice President Candidate

Internet Permission Form

Missouri DECA maintains a website which offers pertinent information to schools, DECA advisors and students. Information about the District Vice President team would be useful to contact the officers. We would like to include a picture of each officer with his/her name, school information and e-mail address. For Missouri DECA to accomplish this, permission is needed for students under the age of 18.

Thank you for your consideration and prompt attention to this matter.

I hereby authorize Missouri DECA to display _____'s,
(student name)
picture, school information (school, address, and phone number) and e-mail address on the
Missouri DECA website.
