

Families,

In addition to schools serving meals through CPS, the following Chicago public charter schools will also provide meals to all Chicago families for pick up during spring break, beginning April 6 through April 9, and post spring break. Since these schools are not using CPS as a meal service provider, menus and meal distribution times may vary.

If your charter school is not listed, students attending charter schools can find their nearest CPS school serving meals by visiting the [CPS Grab-and-Go Meal Site Finder](#).

Charter School Name	Address	Meal Distribution Times
