Meeting called to order by Ms. Lyman at 5:36 PM.

The minutes from the meeting held May 17, 2022, were reviewed. Ms. Lyman moves to accept as written; this motion is seconded by Mr. Crane seconds and the boards votes to accept.

Ms. Lyman reports that Conway Town has received funds to assist with the writing of a new Master Plan. Ms. Lyman has contacted Taylor Caswell, and Governor Sununu with no response. Representative Umberger has suggested the KLP planning board contact Invest NH to see if application for funds available.

Ms. Lyman updates on the Andrews case saying 4-6 months until decision available.

Ms. Lyman mentioned that Ray Porter has contacted her about the trash cans that are being left out on Old Bartlett Road. The trash cans are left out 24/7 according to Mr. Porter. Mr. Porter wants the planning board to draft an ordinance to regulate trash cans as well as one to address the limitation of outdoor lights to property boundaries. Ms. Lyman said that we have a dumpster ordinance. Ms. Lyman suggested that perhaps Mr. Porter should draft his own ordinance and collect 25 signatures if he feels so strongly about both issues. Ms. Lyman will make that suggestion to Mr. Porter.

Next meeting will be held on Tuesday, July 19, 2022 at 5:30 PM.

Mr. Crane moves to close the meeting, Ms. Lyman seconds, and the board agrees. Meeting closes at 6:06 PM.

Respectfully submitted,

Martha Mawhorr
KLP Planning Board secretary
