

BHS/HMS

Virtual Summer School

2024

Who? Bedford City School District students in grades 6 - 12 who are in need of credit recovery or course completions. Families will be informed if their student needs summer classes by Thursday, June 13th.

How? The program will be virtual for the students and will use the Edgenuity learning platform.

- The students will have multiple opportunities to sign-in to Google meets based on the subject area or the grade level both early in the day (8:00 am - 12:00 pm) and during selected afternoon and evening hours.
- The sign-in times will be for students to check-in with their teachers, receive assistance on their courses, or to take tests with the teacher.
- Students and parents will receive a separate invitation to the Summer School Google Classroom for the specific subject area (high school) or grade level (middle school) that they are working on. Continue to check school emails for those invitations.
- BCSD school staff will determine which classes students will complete.

When? Summer school starts on Friday, June 14th and ends on Monday, July 22nd. There will be no school on June 19th and July 4th.

Registration? Students who need to take classes will need to complete the Summer School Application located at the following link which will open on Monday, June 10:

[Summer School Enrollment Link](#)

More Information? All students will need to return their school issued chromebook to the technology department and they will receive a new device for summer school. The pick-up day will be announced. Also, students will be required to take tests on their school device with their camera on. There will be a virtual **ORIENTATION MEETING** on Thursday, June 13th at 4:00 using this Google meet location:

(This meeting will be recorded for parents who are not able to watch live)

We look forward to another successful and productive summer school session. Please reach out to Mr. Johnson at ajohnson@bedfordschools.org or 440-439-1500 ext. 3708 with additional questions.
