Glide Wax Recommendation

Good	SG Graphite		
Better	RG Race Graphite		
Best	RG Ultra Green	RG Race Graphite	

SRB Starter Kit Recommendation

Roller	V202	Fine linear	
---------------	------	-------------	--

Notes on testing with black waxes vs nonblack waxes in new non-fluor. Testing durability should not be overlooked. It is worth testing black wax (graphite or Moly disulfide) vs non graphite/moly wax, then skiing 5km on both, and retesting.
