

LEAKED PLOT FOR SKIBIDI TOILET 78:

So, it starts, upgraded charged shit titan and upgraded charged 2025 subaru outback titan fly over to oversee astro toilet's feet livestream, but unfortunately, they were too late and the stream was over, so they cry and develop crippling depression from it, after, shitman and upgraded revived plungerman sneak into the astro toilets antarctic base made of yellow snow, but then, they witness detainer astro toilet detaining all over overseer astro toilet, this causes them to explode and the whole place to collapse, and in another part, astro toilets are invading the main cameraman base, but then, the eskaibidai toilets, they then sing gangsta raps about genocide, this makes the astro empire angry, making them leave earth forever, then spy from TF2 backstabs plungerwoman in the back and also detective cameraman, before flying away. But then, all the titans and G-toilet come together to celebrate, until, the secret agent talks to titan cameraman, freezing time, with his cold tone, he says, "Why do they call it oven when you of in the cold food of out hot eat the food?" This causes every alliance member to explode, and after, the eskaibidai toilets murder all toilets and leave earth, except for G-toilet and DJ toilet, so they fall in love, marry, and buy a farm where they take care of their pet rocks.

THE END.
