

Dear Potential Sponsor:

The date is set for Clemson Women's Alumni Council's 22nd annual Bring Your Daughter to Clemson weekend which will be held May 21-22, 2022. This event is attended by girls from across the country from ages 8 to 18 and their adult chaperones. During the event, participants will enjoy campus life activities such as eating in a dining hall, touring campus facilities, hearing dynamic speakers and engaging in educational activities hosted by faculty and graduate students. The weekend culminates with a Breakfast of Champions in the stadium with a special appearance by the Clemson Tiger. Attendees will then experience the excitement of Death Valley by rubbing Howard's Rock and running down the Hill!

You too can be an essential part of the excitement by becoming a sponsor. We have various levels of sponsorships as well as specific sponsorship opportunities that provide marketing exposure for you and your business. Proceeds from the sponsorships will raise money for Women's Alumni Council's Unrestricted Scholarship Fund.

Please see the attached document that illustrates the sponsorship levels, specific sponsorship opportunities, and benefits of contributing to the 2022 Bring Your Daughter to Clemson Weekend event. Other donations are also accepted. For additional information or questions, please contact Taylor Rider at the information listed below.

Go Tigers!

Taylor Rider

Clemson Women's Alumni Council BYDTC Chair
