

# Fire Safety in Hospitals

**Target Audience:** All current and onboarding hospital employees at Canaveral Hospital. Going forward, all employees must pass an annual skills fire safety course.

## Learning Objectives:

1. List the three elements that cause a fire.
2. Select the correct fire extinguisher to use for each type of fire.
3. Define the PASS procedure when operating a fire extinguisher.
4. Identify the steps for the RACE procedure.
5. Explain the safety precautions for evacuation.

**Seat Time:** 20-25 minutes

## Outline:

- Course Intro / Navigation / Objectives
- Fire Triangle
- Fire Extinguisher Chart
- Scenario
- PASS
- RACE
- Knowledge Check
- Safety Precautions
- Summary
- Assessment
- Congratulations

## Directions:

- Notes for the developer will be in [blue font](#).
- Slide dimensions are 16:9 ratio with slide size (1280:720)
- Title bar (Trapezoid) is set in the custom top border

- Use custom color scheme for shapes throughout (see color palette on Storyboard cover sheet); white font on colored background/ black font on white background.
- Anything in [brackets] should not appear on the slide or be recorded in the voiceover (VO)
- If text in a caption bubble is too long to display at once, fade-out/fade-on text in speech bubble caption and arrange sequentially on timeline. Do not use scrolling text in captions.
- Seek bar is visible and controllable for learner on all slides and layers. Menu is “free” in the Player Properties.
- The rights of the images are already acquired for your use. Some images and videos came from Canvas.
- Please provide any feedback by placing comments with the comment section in Windows. Please strike through any areas that you would like to omit, do not delete.

#### Color Palette:

 #C44E12

 #E5710C

 #6B0000

Slide 1.14 / Menu Title: Safety Precautions			Objective: [#5]
Visual / Display:	Slide Text:	Narration / Voiceover:	Animation / Interaction:
<p><b>Top border:</b> thick orange rectangle(#C44E12) with Maroon Trapezoid title bar(#6B0000)</p> <p><b>Bottom border:</b> Thin orange rectangle(#C44E12)</p> <p><b>Background:</b> White</p> <p>Host Avatar 1 pose: [1] thinking He is larger than in previous slides and situated at the bottom of the slide so that only 2/3 of his body is showing on the screen.</p> <p>3 photographic images that are buttons for layers.</p>  <p>Orange pentagon with informational text from slide text column.</p>	<p>[Slide Title] <b>Safety Precautions</b></p> <p>[Buttons]   </p> <p>[text] In all fire situations, especially those involving smoke, you should be familiar with safety precautions for the evacuation of your patients and yourself.</p>	<p>[Insert Script Text] [Host Avatar] There are important fire safety precautions to learn. First, you must know your evacuation route, and understand the best way to exit the building as fast as possible. Second, you need to stay low and crawl to avoid the smoke. Third, you should feel the door with your hand to see if it is hot. Click on each image to learn more.</p>	<p>The slide title will float up at the start of the slide.</p> <p>Host Avatar will fade in at the start of the slide.</p> <p>Buttons fade in with VO reference.</p> <p>Buttons have hover states of pink and visited states of light blue/grey.</p> <p>Next button is hidden at start of slide.</p> <p>Next button is normal when all 3 buttons have a visited state and jumps to slide 1.15</p>

Slide 1.14 .a / Menu Title:			Objective: [#5]
Visual / Display:	Slide Text:	Narration / Voiceover:	Animation / Interaction:

<p><b>Background:</b> photographic image of a blueprint of a building with a Gps point, Right arrow, down arrow, right arrow, down arrow, all leading to a picture of a photographic image of an exit sign.</p> <p>Host Avatar (1pose): [1] sitting in an orange rectangle with a maroon boarder, which is located over the informational text. Looks like he's leaning on top of the pentagon with the informational text.</p> <p>Informational text is in an orange pentagon with a maroon border.</p>	<p>[Slide Title] [text] Know your evacuation route. Check next to the door for all evacuation routes, and then follow signs for the nearest exit.</p>	<p>[Insert Script Text] [Narrator] If a fire starts, make certain that you know your given evacuation route. All evacuation routes are located next to the door. Next follow signs for the nearest exit.</p>	<p>Arrows float up .50s a part from each other.</p> <p>Host avatar fades in at the start of the slide</p> <p>Pentagon with informational text fades in at the start of slide.</p> <p>Learner clicks an x icon with a hotspot to close layer.</p>
--	---	--	--

Slide 1.14.b/ Menu Title:			Objective: [#5]
Visual / Display:	Slide Text:	Narration / Voiceover:	Animation / Interaction:
<p><b>Background:</b> a photographic image of yellow and grey smoke with grey/black background</p> <p>Host Avatar (1pose): [1] sitting in an orange rectangle with a maroon boarder, which is located over the informational text. Looks like he's leaning on top of the pentagon with the informational text.</p>	<p>[Slide Title] [text] If you encounter a fire, get down on your hands and knees and crawl on the floor. Smoke rises, and staying low will keep your smoke inhalation at a minimum.</p>	<p>[Insert Script Text] [Narrator] When a fire starts, smoke will rise because the heated air is less dense than the surrounding air. If you encounter a fire, it is imperative that you get down on your hands and knees and crawl on the floor. This will keep your smoke inhalation to a minimum.</p>	<p>Pentagon with informational text fades in at the start of slide.</p> <p>Host avatar fades in at the start of the slide</p> <p>Video fades in with VO reference.</p> <p>Learner clicks an x icon with a hotspot to close layer.</p>

<p>Informational text is in an orange pentagon with a maroon border. Located on the left-hand side of slide.</p> <p>Video of people crawling on the ground on the lower right-hand side of slide.</p>			
---	--	--	--

Slide 1.14.c/ Menu Title:			Objective: [#5]
Visual / Display:	Slide Text:	Narration / Voiceover:	Animation / Interaction:
<p><b>Background:</b> a photographic image of orange and red smoke. Host Avatar (1pose): [1] sitting in an orange rectangle with a maroon boarder, which is located over the informational text. Looks like he's leaning on top of the pentagon with the informational text.</p> <p>Informational text is in an orange pentagon with a maroon border. Located on the left-hand side of slide.</p> <p>Video of smoke coming from under a door and an icon of a hand (back of hand) touching door</p>	<p>[Slide Title] [text] If you encounter a fire, feel the door for heat. If it is hot, do not exit through the door.</p>	<p>[Insert Script Text] [Narrator] If a fire starts, make sure that you feel the door before exiting. If it is hot, do not exit through that door. This means that the fire is near, and you want to find an alternative exit. Opening a door with a fire close by can feed it more oxygen, making it grow larger.</p>	<p>Pentagon with informational text fades in at the start of slide.</p> <p>Host avatar fades in at the start of the slide</p> <p>Video and icon of hand fade in when 2 seconds apart from each other.
