

Rocky-nomics Pt. 1 Act

Author: anaphase_andy

Preamble

Whereas a robust economy would serve to provide something more for the government to govern, as well as another avenue for SimDem citizens to participate in the nation;

Whereas initial legislative steps should be taken in order to produce a robust economy;

Article 1: Tax Repeal

§1. The [Bank Balance Tax Act](#) shall be repealed in its entirety.

Article 2: Subsidy Requirements

§1. Any subsidy or other financial benefit given from the government of SimDem to a News Organization (identified in subsequent and prior budgets and/or legislation) must have at least 75% of said subsidy or other financial benefit going to the payment of employees for said News Organizations, with no more than 45% of said employee payments going to owners (minority, majority, or 50%) of the News Organizations.
