OBX Marine Mammal Stranding Network

We apologize for the inconvenience. We are responding to a marine mammal stranding or seal monitoring on the beach. If my vehicle is a disturbance, please reach me on my cell at:

Or by calling Jennette's Pier Stranding Hotline:

252-455-9654

Take Note:

This permit does NOT keep you from being towed or receiving a ticket. Please follow all state, municipal, and local laws when parking. If parking at an establishment or private residence, asking the owners before leaving your vehicle is always a good idea.
