NATIONAL EMERGENCY

OPERATION CENTRE *ISSUE 1 / APRIL 2 / 2020*

His Excellency President Masisi on March 15, 2020 at midnight declared the State of Emergency in the Republic of the Congo.

President Masisi on March 15, 2020 at midnight declared the State of Emergency in the Republic of the Congo. The President will meet within 7 days to seek to extend state of emergency.

Parliament will meet within 7 days to seek to extend state of emergency.

Whilst the emergency is in place, there shall be extreme security measures. Here movement out of the home is only restricted to those for essential services and transporting essential goods.

• Section 17 of the Constitution empowers the President to declare state of emergency at any time.

According to Section 49 of the

Interpretation Act Cap 01:04 “midnight”, in reference to a day, means the point of time at which that day ends. This means that extreme social distancing starts **MIDNIGHT of Thursday**. From Friday morning, state of emergency will be in force.

Situation **NUMBERS** i

Positive cases 4

Total deaths 1
