

Privacy Policy for Cosmic Clash GO

Your privacy is our priority. Cosmic Clash GO operates under a registered business LLC and utilizes Apple's native Game Center for player authentication and matchmaking. We do not require, collect, or store personal identifiers such as your real name, physical address, or phone number.

Data We Collect:

- **Game Center ID:** Used strictly for multiplayer matchmaking and global leaderboard rankings.
- **In-Game Action Data:** Deck configurations, win/loss records, and card collections are stored securely via Firebase Firestore to sync your progress across devices.
- **Global Wall Messages:** Messages posted to the Global Wall are public to all players and are moderated for safety. Do not share personal information in the global chat.

Subscriptions and Purchases: All financial transactions, including auto-renewable subscriptions, are processed securely through Apple's StoreKit. We do not have access to your credit card or billing information.
