

# **RECESS landing page mission**

SL: **our product is better than meditation**

are you feeling nervous about every little thing that is happening in your life?

if you do then you don't need to do meditation or yoga to not be stressed anymore

because you have something better than those two, you've got a recess, the drink that will make you calm and confident

the benefits you get from this drink are:

-lemon balm- supports equilibrium and helps you relax

-L-theanine-eases tension and brightens the day

-broad spectrum hemp- balances your mind and centers the body

and much more

and did you know that you got a chance to get a free bottle?

all you need to do is to press this button that says [Claim My Free Drink](#)

we will send you a free coupon and when you buy a drink you will get another one for free

but hurry we are running out of stock.

market research:

with this cann, you would be calm and not stressed and it will make your life easier he will gain more confidence because when he drinks the drink he's not feeling nervous anymore

but without the drink he feels nervous on every little thing that happened he could get angry easily you feel like any normal human being is feeling and the big part of them feel shit you coming back after a hard day of work and you feel like nothing can pleasure you like what recess does

he believes that he cant control his emotions and feelings he blames the world for making him angry he tried joints meditation and yoga but decided its isn't for him and he believes the product is good because it has a lot of good herbs inside the drinks he respect anything that could give him a quick relaxation
