

Greetings eCADEMY Math Class Students and Parents/Guardians,

My name is Nathan Neidigk and I will be the teacher of record for you or your student's math class through Edgenuity for the next **9 weeks**. If you have not done so already, please navigate to my Google website at <https://sites.google.com/aps.edu/neidigkmath/home> This website is full of useful information.

Academic Integrity Policy

Students are expected to complete and submit work that reflects their own understanding, effort, and voice. While it is acceptable to use online tools to support brainstorming, grammar correction, or structural improvement, all final work must be authentically the student's own.

Submitting work that is copied, generated by someone or something else, or otherwise misrepresents the student's own thinking is considered academic dishonesty. This includes—but is not limited to—plagiarism, the use of AI-generated content not clearly integrated or cited, and submitting assignments completed by others.

Violations of this policy may result in a loss of credit for the assignment and could lead to removal from the course without refund. By starting your class, you agree to and will abide by this statement.

Contacting Mr. Neidigk

- Text/Call 618-765-4768
- Email nathan.neidigk@aps.edu or through Edgenuity email. Please do not email through StudentVUE or ParentVUE

Edgenuity Login Info

- **Students:** Go to <https://auth.edgenuity.com/Login/Login/Student>. Select Student Login.
Your Username is your APS ID# followed the letters aps (no spaces). Ex:
123456789aps Your Password is your APS ID# Ex: 123456789
- **Parents/Guardians:** If you are interested in using Edgenuity's Parent Portal, select Family Login on the edgenuity.com homepage. If this is your first time logging into Edgenuity, your account will need to be ACTIVATED. To do this, please reach out to your student's advisor teacher and request a Portal Code.

Tutoring/Office Hours

- Help from Mr. Neidigk- Virtual Office Hours with Mr. Neidigk through Google Meet will be Monday through Friday. Office hours will vary by Term. Current Office hours will be posted on the "eCADEMY Math" Google Classroom. If your student needs a place to work aside from your home, in person office hours are Monday through Thursday at our main campus at 5300 Cutler Monday through Friday during regular school hours.

Google Classroom

- Students- Please join the “eCADEMY Math” Google Class Classroom.
 - Download the Google Classroom App or find Google Classroom in your Google Tiles
 - eCADEMY MATH Classroom Code: **jlqstjv**

Please Note-There are 3 grades on the Edgenuity Progress Report:

1) **Overall Grade:** This is a "Quality of Work" grade and is only grading the material you have actually done. This grade needs to ALWAYS be kept above 60%. If it isn't, ask me to reset some of your low scoring tests, quizzes or assignments.

2) **Actual Grade:** This is a paced grade so it takes into consideration all the work you SHOULD have completed up to the current date. Anything you haven't done behind the target goal is scored as a 0, which causes your Actual Grade to be lower than the Overall Grade. This is the grade we use throughout the semester to post grades in Synergy and progress reports.

3) **Relative Grade:** This grade should only be looked at when we get to the end of the term. If this grade is above 60%, you are guaranteed to pass. It's often referred to as a “Walk-Away-Grade” which means you or your student will receive this grade if work completely stopped in the course. If you do not finish the course or you do not take the final exam at the end of the semester, you will be given this grade on your report card/transcript. If you have any questions, please don't hesitate to reach out!

You are also always welcome to contact the eCADEMY Help Desk at ecademyhelpdesk@aps.edu

Sincerely, Nathan Neidigk
