Abstract (Times New Roman size 12)

An abstract should accompany each manuscript; it should be completely self-consistent (i.e., with no figure, table, equation or reference citations), not exceeding 250 words and written as a single paragraph. Abstract should include aims of the research, methodology and findings.

Keywords: keyword one; keyword two; keyword three (max. five keywords)

Introduction (Times New Roman size 12)

The body of paper must be elaborated between 6500 - 7.000 words (maximum) including abstract, references and footnotes, written in font: Times New Roman Style, size: 11, line spacing: multiple (1.15). Moreover, **the author(s) are required to use this template file (NOT creating new file)** in order to avoid mismatch in the whole page layout (paper size, margins, etc).

The body could be divided into sections. Sections should be bold. Subsections should be italic. Whichever spelling you choose (British or American English) please be consistent throughout. Use hyphens consistently and avoid unnecessary ones. The words "section(s)", "equation(s)", "figure(s)" and "reference(s)" are abbreviated as "sect(s).", "fig(s).", "eq(s)." and "ref(s)." unless they are the first word of a sentence. The word "table" is always written in full. Latin expressions, such as, e.g., i.e., et al., versus (vs.) should be set in italic. All terms or titles in Arabic should be transliterated with following the Library of Congress guide. Name of person should not be transliterated.
