Hi Anna

I'm showing you what the outcome is when you give your knowledge to a particular audience (on social media) in a way that resonates with their day-to-day pains.

A sample demonstration of dating knowledge that connects with your market is attached as a PDF File at the bottom of this email.

I want to send over this 3-step process (as shown in the PDF), just reply to this email.

Regards,  
Sam Farwell
