Spring is in the air, and so is love, mistaken identities, and muffins. Whitnall Theatre's spring comedy, "The Importance of Being Earnest", will be performing March 14-16 in the Whitnall High School theater. Oscar Wilde's hilarious British comedy about manners and mistaken identity features slapstick fights, zany characters, hilarious hijinks, and a unique twist --- the audience will be sitting on the stage, mere inches from the performers. Tickets are available now, and seating is very limited --- purchase online [here](#). Don't miss this incredibly hilarious, once-in-a-lifetime experience!

### **Guest Speaker Presentations**

On February 21st we are excited to welcome back Mike Domitrz, Founder of The Center for Respect and the “SAFER Choices” program online at [www.CenterForRespect.com](http://www.CenterForRespect.com), who will be speaking to high school students in grades 9, 11, and 12. Mike spoke to our students last year and will present for 9th grade students his talk on “Safer Choices.” “SAFER Choices” is one of the most inclusive and sought-after school assemblies for creating a safe, age appropriate look at consent, respect in relationships, boundaries, bystander intervention, and working to reduce sexual assault. Mike will be speaking to the students in grades 11 and 12 on “respect.” The Assembly is focused on getting students to speak UP for others, for themselves, to catch themselves before they act in a disrespectful manner and to equip each

student with new respectful ways to respond in each moment. Our 10th grade students will be participating in a leadership training and presentation put on by the Army National Guard.

We are so excited for our students to have the opportunities to hear from others. Thank you to the Whitnall Falcon Booster Club for their generous sponsorship of this day.

## Congratulations and Thank You!

Congratulations to members of the Girls Swim & Dive team as it heads to State! The Whitnall State team is led by captains Rianna Dobbie, Chelsea McDowell, Levi Crosby and Lily Jenich.

- Senior Rianna Dobbie is making her second trip to State as the defending State diving champion. Rianna also qualified in the 200 free relay.
- Senior Chelsea McDowell makes her second trip to State, was the 2023 State runner up, and is on pace for a record breaking season.
- Senior Levi Cosby is returning to State in the 200 free relay.
- Junior Aubrey Kasten is making her second trip to State in the 200 free relay.
- Sophomore Mya Miles is also making her second trip to state in the 50 and 100 free and the 200 free relay.

Thank you to the National Honor Society for showing another way Whitnall supports our community. To help clean up the area, about 45 students collected 20 bags of garbage along Hwy. 100 between Layton and Grange Avenues on a rainy Sunday.

The Red Cross Club's "Totes for Hope" homeless project was another great success. Thanks to the group and the community's support, the members filled 161 bags for veterans, have more than a dozen boxes for The Rescue Mission, and six boxes to give a local group home for youth 12-17 that have experienced trauma. The club more than doubled its goal with this important project.

### As We Start the School Year

Student attendance continues to be a strong indicator of future success after high school. Attendance at school each day matters. If a student will be out of school, absences can be requested through the Infinite Campus Parent Portal or mobile app. Find information [here](#). Please submit these absences as soon as known or call 414.525.8510.

Please be patient during pick-up and drop off times. Make arrangements for extra time as the traffic patterns and routines are established. Learning begins at 7:40am each day. This means if you or your student arrive inside the building after the first bell (7:35am) they are late. This is a disruption to not only their learning but that of other students in their class.

The high school daily announcements are posted each day through Infinite Campus or on the website [here](#).

Students who registered for a parking pass need to have paid school and the parking fee before obtaining their pass. These fees can be paid in Infinite Campus or brought to the main office where students can also get their parking pass. Students must have a parking pass displayed to park on site.

### Order School Photographs

After your student has taken his/her 2024-25 photo, parents will receive an email within a week with a direct link to view their student's gallery of photos. If you would like to order photos, you will follow the VIP (Visual Image Photography) link [here](#).

Whitnall High School students who did not get their photo taken in August need to take theirs on Photo Makeup Day on Wednesday, September 4, during school hours. Students will receive a pass to be dismissed to have their photo taken. This is NOT for students who didn't like their photo and want a new ID. For WHS families who want to purchase their student photos but want their student to retake it, that opportunity will be on October 16.
