TRANSITION (TITLES) BILL 2020

OUTLINE

Since the first day of July, 2019, the Commonwealth of Australia has established and maintained a republican form of government as per the popular will; however, royal names and institutions remain as a strange amalgamation of the arguably incompatible aspects of republicanism and monarchism. This bill begins the final phase of transition to a nation that follows its people's wishes and fully commits to the republic that they desired.

This bill amends the "Royal" title out of the Royal Australian Navy and Royal Australian Air Force.
