Talk About Your Friends

Now it's your turn to do the Can-Do Statement!

Can-Do Statement:

Part 1: Prepare

Write down the sentences you will need to introduce at least three of your friends.

Please note: you do not have to talk about your actual friends! You can create a friend group out of The Avengers or the cast of Dubai Bling. Just be sure to include basic information such as their name, age, what they study and/or their job, and what they like and don't like.

Part 2: Do

Share your description with your classmates, and take notes.
