Accessing Your DSUSD Account From a Home Computer

1. Go to our district website https://dsusd.us/
2. Click on the **DSUSD Google Apps** link (on the home page in the Staff Resources links)
3. Select Student or Staff
4. Enter your email address and password (never save your password on shared or public computers)

Note: Always sign out of your account when using a public computer.

Troubleshooting:
- Clear your browser history and cache.
- Try using a different browser (i.e. Safari, Firefox, Edge).
