2005-2017. [Savageminds.org](#)

*Savageminds was the oldest and largest anthropology blog on the Internet. Savage Minds was founded in 2005. In 2006 Nature ranked Savage Minds 17th out of the 50 top science blogs across all scientific disciplines. In 2010, American Anthropologist called Savage Minds "the central online site of the North American anthropological community" whose "value is found in the quality of the posts by the site's central contributors, a cadre of bright, engaged, young anthropology professors." In 2014 the National Anthropological Archives at the Smithsonian agreed to include our blog in its collections. In 2015 the blog won the Executive Award of the American Anthropological Association for ten years of writing.*
