Schedule of bus stops for school year 2025-2026

The following is a list of our bus stops to start the school year. Please make sure your student is at the bus stop 5 minutes earlier than the posted time. Some adjustments will be made after the start of the school year: stops added, removed, time changes.

Take home times will vary the first week of school. It is not uncommon for us to leave the schools a half hour after dismissal times. Extra time is needed to make sure students find their correct buses. Please encourage your child if they get on the wrong bus, to stay on the bus and alert the bus driver. We will then make every effort to get your child to their correct stop.

Please read the transportation policies listed below, these can be viewed in the student handbook on the Reeths-Puffer website.

1. Reeths-Puffer Schools will transport students who reside in the district in grades first (1 st) through twelfth (12 th) beyond one (1) mile from the school they attend.
2. All fifth(5 th) through twelfth (12 th) grade students may be required to walk up to one mile to a school bus stop.
3. All kindergarten students living between one-half and one mile from the school they attend will be transported.
4. Kindergarten through fourth (4 th) students may be required to walk up to one-half mile to a regular bus stop.
5. Bus stops will be no closer than ¼ mile apart. Exceptions may be made only when a particular area may warrant additional stops.
6. Students will be transported to and from a babysitter under the following conditions: A. The sitter must be located in the Reeths-Puffer district on the bus route as it is set up for residents for that school year. No special routes will be available for transportation to and from the sitter's home. B. Arrangements made at the start of each school year must remain consistent throughout that year to avoid liability and potential problems.\ C. If and when a sitter is changed, notification must be made in writing to the driver and to the Transportation Office.
7. No provision is made for students riding home with another student for any reason.
8. Except for the specific policies as stated in one through seven, the guidelines and recommendation of the Department of Education shall be followed.

Transportation Office Contact Information:
