

One of our amazing swim families ([the Woegerer family](#)) has a hobby farm and is generously donating farm-fresh eggs to us for a fundraiser.

They have a small flock of birds, which are fed organic food and free-run.

In case you are wondering the birds are mostly *Bovans* (red-brown), a few *Plymouth Rock* (black/grey speckled), a few *Australorp* (black) and a few *Leghorn* (white).

Pick Up Location - 49 Laurentian Lane, Orillia - I will try my best also to arrange a pool meet-up

Text Amy at 343 364 7737 to advise of the pick-up date and time. Please give me a few hours' notice to ensure that I am able to place them on the front step.
